"Miroslav has been absolutely wonderful not just a driver but a guide and interpreter, a marvelous host and guide and a wealth of information. We really enjoyed the visits to the Hopovo Monastery and Perko's Salash Farm. Watching the young lady model the traditional wedding costume was a delight. I sampled broom making at the Ahoj craft centre in Backi Petrovac. Miroslav drove us back to the Villa Skadarlija where we had to say our goodbyes.
