

SERBIA WONDERLAND – THAT'S THE LIFE – EXPERIENCE EMOTIONS

Snejzana Marinkovic - History and Culture Tourist Guide

As a tourism/ hospitality professional with over twenty five years of experience, my work has taken me to *Europe, Asia, Africa, the Caribbean and Canada*. My resume is diverse and highly concentrated on international service and PR. Having worked with people from all walks of life has taught me that our global market requires proficient communication skills, professionalism, creativity and great sense of humor.

I am multilingual: fluent in **English, German, Italian, Serbian; working knowledge of French and Spanish**. My former colleague told me, he only understood why some people are multilingual, only after he met me. He says, people like me speak so much, that knowing only one language would never be enough to express all our thoughts. After many adventures abroad I have decided to return to my home country Serbia and the Balkans and share my love, enthusiasm and knowledge about it with our guests from all over the world.
